The Most Qualified Guiding Team

IN SOUTH AFRICA

Royal Malewane is often referred to as the 'Harvard of the Bush'. That's because of the guiding team's unyielding passion for learning and their ambition not just to be the best, but to raise the standards of the industry as a whole. All the Guides at Royal Malewane hold the highest professional Field Guides Association of Southern Africa (FGASA) qualifications, as well as advanced rifle handling certificates.

These qualifications ensure that you will enjoy an exceptional game viewing experience – not only while on game drive, but also on foot during guided bush walks. At the pinnacle of the professional guiding qualifications are the Special Knowledge & Skills (SKS) Qualifications such as Dangerous Game and Birding. Very few guides in Africa achieve these qualifications which require extensive knowledge as well as technical skills - the team at Royal Malewane have these attributes in abundance.

Our guiding team has over 300 years of African bush experience between them, and Royal Malewane is proud to have three of only seven living Master Trackers in the world and the only three working in the Greater Kruger Park region.

Spa and Wellness

OUR SPAS AND WELLNESS TREATMENTS DRAW ON THE HEALING POWER OF NATURE, AND TRADITIONAL HERBAL WISDOM

The Waters of Royal Malewane Bush Spa at Malewane Lodge invokes the therapeutic properties of water. Treatments make use of mineral-rich water sourced from an underground stream that flows through the reserve. Positioned around the central courtyard with its 25m (82ft) heated lap pool, you will find three treatment rooms (1x double and 2x single), as well as a fully equipped gym, a steam room, hot and cold African baths, hair salon and four casitas.

Dining

Dining at Malewane Lodge is a unique experience with a wide variety of beautiful settings in which to savour soul-stirring recipes and our handpicked selection of South Africa's finest wines.

The main dining area at Malewane Lodge overlooks a bustling waterhole, resulting in some spectacular mealtime game viewing.

Royal Malewane offers you complete dining flexibility. We can tailor a menu to your personal tastes and dietary requirements. All meals, local beverages and wines (excluding French Champagne) are included in our rates.

Bush Dinners let you feast under the stars, surrounded by the wilderness, and comforted by the glow of lanterns and a crackling fire.

Please speak to us about private chefs, our Kosher Compliant Kitchen (at an extra cost) and any dietary requirements.

Sustainability

At Royal Malewane, sustainability is at the heart of everything we do

COMMUNITY

- We support community development projects to grow and uplift our team
- We're committed to improving crèche facilities in nearby villages
- Africa House guests have the chance to visit the local crèches we support

ENVIRONMENT

- We're reducing the amount of water we use
- We're limiting our carbon footprint by choosing energy-efficient devices
- We're phasing out plastic water bottles in favour of reusable glass bottles

CONSERVATION

- Thornybush's K9 anti-poaching dog unit is making the Great Kruger area safer for wildlife
- The new Conservation & Research Centre (CRC) is providing researchers with facilities and a hub to share ideas

HYDRONIC HEATING AND COOLING WATER SYSTEM

We've invested in an innovative, integrated heating system that uses solar energy and hydronics to heat water, pools, towel racks and underfloor heating, and run the air conditioning.
